CAMERA ZONES

Florida Swimming has instituted a new rule pertaining to "Camera Zones". The Camera Zones for this event are as follows:

- 1) In the bleachers
- 2) The North Side of the Pool Deck..
- 3) The South Side of the Pool Deck.

Non-Camera Zones for this event are as follows:

- 1) Locker Rooms
- 2) Rest Rooms
- 3) Any Dressing areas or Rooms
- 4) The Starting End of any course (East or West) during the meet or when racing starts are taking place.

Please help us with this by notifying your swimmers, teammates and parents of this rule and the Camera Zones. Thank you in advance for your help with the Camera Zones.

The rule is listed in the meet information letter and printed here for your information:

Per Florida Swimming Rule 223.12, Meet Management shall designate and inform the public of "Camera Zones" at each swim meet where both still photography and video photography of a race or a competitor in a race may be taken. Acceptable "Camera Zones" may include, but are not limited to the side courses of a pool, team gathering areas, concession area, turn-end of competition course when not in use as a "start-end," etc. Meet Management shall also designate "Non-Camera Zones." Under NO circumstances will Camera Zones include the area immediately behind the starting blocks at either end of the racing course(s) while they are in use for "race starting purposes" during competition and warm-ups, locker rooms, restrooms, or any other dressing area. Any individual failing to abide by this rule could be subject to the Florida Swimming Code of Conduct violation as defined in Rule 239.2.
