Team Relay Entry Procedure (for Relay Captains):

One person from each club should act as the Relay Captain and enter all of the team's relays. Anyone who is a USMS-registered member of that club may serve as the Relay Captain (even if they are not entered in the meet).

- Click the "[Club Entry Rosters](#)" link above to view the list of your swimmers entered in the meet. You can use this data to assemble your relays.
- After Team Relay Entry has opened, click the button above to register your relays. You'll first go through the USMS member verification page and then be asked for your address, email, etc.
- Once you get through the biographical pages, you'll see a list of relays. Click on a relay event to enter your swimmers into that event.
- You'll be presented with a form that allows you to select your swimmers to fill the four relay spots.
- You don't have to designate a relay as "A," "B," etc. The software will automatically do that for you.
- Enter an estimated seed time for the relay (guessing is fine; we just need a ballpark seed time).
- Select the four swimmers for that relay, **IN THE ORDER THEY WILL SWIM.**
- Continue on for each relay event and relay team.
- You'll get to a page that allows you to review the relays before you submit.
- You'll then see a final page where you can click a final Submit button. There is no charge for relays so you will not be asked for a credit card.
- **CHANGES** to relays will be allowed at the meet. Swimmers may change the names (or swim order) on the relay cards before they swim the event.
